Flower Power

Toes get all the glory with a super-luxe pedicure.

A pampering Magnolia Pedicure (\$68) at **Mario Tricoci** treats feet to an exfoliating sugar scrub and moisturizers to soothe and rejuvenate tired tootsies. The products, also available for purchase (to replicate the expert pedi at home), are fortified with magnolias, which—packed to the stem with antioxidants—are seriously skin-healthy. Evidence of summer sandal-wearing disappears in a flash. 900 N. Michigan Ave., 847-202-1900
